

- [Construction & Implementation *Phase*] ← Treat as once phase
- [Deployment *Phase*]

- [Construction & Implementation *Phase*]: List activities
 - [Program the software]
 - [Integrate and test components]
 - [Integrate and build test cases]
 - [Unit test the software]
- [Testing]: Explain
- [Test case]: Explain

- [Testing]: List types

Test type	Core process
Unit testing	Implementation
Integration testing	Implementation
System and stress testing	Deployment
User acceptance testing	Deployment

- [Unit testing]: Explain? Components
 - [Driver]: Explain
 - [Stub]: Explain
- [Integration testing]: Explain
