- [Parallel computing]: Define?
- [Parallel computing architecture]: Explain? Limitations? How do solve? Methods to introduce parallelism? Difference between tightly coupled and loosely coupled
  - [Limitation 1]: Explain
  - [Limitation 2]: Explain
  - [Limitation 3]: Explain
  - [Limitation 4]: Explain
- Describe cpu and core
- [Parallel computer architecture]: Methods?
  - [Method 1]: Explain? Issues?
  - [Method 2]: Explain
  - [Method 3]: Explain
  - [Method 4]: Explain
- [How to determine which computer to buy]: Explain? Factors for performance
